

Brisa Frontier — Ultrafabrics

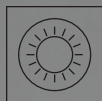

Brisa Frontier is a relaxed grain available in a wide range of classic hues. Featuring our renowned breathable technology, this high-performing fabric provides ultimate seating comfort and softness. It's enhanced with water repellency, EPA-registered mildew defense, solar endurance, and colorfastness. Engineered for use inside or out, Brisa Frontier delivers both flexibility and functionality.

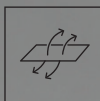

-
- Superior durability – industry-leading 16 weeks hydrolysis results
 - Blended backcloth includes recycled polyester and FSC/PEFC certified rayon – each linear yard contains approximately 8 recycled plastic bottles
 - 200,000 double rubs (Wyzenbeek), 100,000 rubs (Martindale)
 - Breathable technology promotes airflow for ultimate seating comfort
 - Bleach cleanable (1:5 bleach/water solution)
 - SCS Indoor Advantage Gold certified and REACH compliant
 - Manufactured with confidence and backed by our extended, 5-year warranty

An intelligent solution – the Ultrafabrics family of performance fabrics highlights boundary-pushing innovation where looks, feel, and performance matter.

Recommended for residential outdoor applications only. Suitable for all indoor applications/markets.
