

**Dear Ultrafabrics® Customer:**

As Ultrafabrics® continues the exciting growth of our product portfolio in 2020, it will be necessary to phase out 70 skus from our Ultraleather®, Brisa®, Ultratech® and Uf2® brand families at the end of 2020.

Yardage for listed styles will be available accordingly during the course of the upcoming year. Please be aware that as inventory levels deplete in the first half of 2020, yardage will become available on a first come, first serve basis. In most cases, we can offer a similar color and/or grain as an alternative option, as detailed in the below list. If the recommended substitution does not suffice, the phased out style can be purchased as a custom order with a 500 yard minimum. Please inquire regarding lead times.

We appreciate your business and continued support of the Ultrafabrics® line.

Please feel free to contact us at [customerservice@ultrafabricsinc.com](mailto:customerservice@ultrafabricsinc.com) or 877.309.6648 if you have any questions.
