

# Indoor Advantage Gold Conforms with LEED, BIFMA, CHPS and California 01350

SCS Global Services (SCS) has provided global leadership in third-party quality, environmental and sustainability verification, certification, auditing, testing, and standards development for three decades. Its programs span a cross-section of industries, recognizing achievements in green building, product manufacturing, forestry, and more. Certification by SCS is a visual expression of proven commitment to sustainability through environmental stewardship, responsible resource management, and protection of people and communities.

---

Our SCS Indoor Advantage Gold Certified fabrics conform to the following standards:

## USGBC LEED

United States Green Building Council Leadership in Energy and Environmental Design
