<b>Uf Select</b>								
740	Lino	425 g	150K R				10+ weeks	
744	Montage	425 g	150K R				10+ weeks	

All styles are 54" in width, approx. 1.0 mm in thickness

All collections, except the Uf Select offering, are SCS Indoor Advantage Gold Certified.

## Solutions —

**Breathable Comfort** — Engineered with a proprietary ventilation system that enhances softness and promotes air circulation for the highest level of comfort.

**Antimicrobial** — Features an EPA-registered antimicrobial agent that inhibits the growth of bacteria, while providing additional deterioration protection to the surface.

**Outdoor Living** — Designed to defend against mildew, bacteria, and other microbes, these durable materials resist water and withstand fading to provide lasting defense, no matter the season or forecast.

**Ink & Stain Resistant** — Trusted to resist stains like ballpoint pen, red wine and denim dyes, our inherent technology provides the ultimate defense.

**Responsible Innovation** — Suitable for healthy interiors and engineered for the future, these materials incorporate sustainably conscious ingredients or processes that inspire creators to dream bigger.
