

# Ultrafabrics 2022 Phaseouts

February 2022

Dear Ultrafabrics Customer,

Ultrafabrics would like to advise that we will be phasing out 47 SKUs from our Ultraleather, Promessa, Pony, Brisa Forecast, Eco Tech, Brisa Frontier, Cora, Brisa, Ultraleather Pro, Mokume, Helix, and Cove collections at the end of 2022.

Please be aware that as inventory levels decrease, yardage will become available on a first-come, first-serve basis.

In most cases, we can offer a similar color and/or grain as an alternative option, as detailed in the below list. If the recommended substitution does not suffice, the discontinued style can be purchased as a custom order with a 500-yard minimum.

We appreciate your business and continued support of the Ultrafabrics line. Please feel free to contact your sales representative directly or our Customer Service team at [customerservice@ultrafabrics.com](mailto:customerservice@ultrafabrics.com), or **877-309-6648**, if you have any questions.
